URBAN ILLUSTRATION

Summer Edition

For artists ages 7-14

Join us for the ultimate street art adventure summer style!

Learn new and old art and design techniques, work on a variety of different mediums and learn professional spray painting techniques! We will explore the art of illustration, felting, quilling and all kinds of art forms along with stenciling, and aerosol art. Your children will learn to constructively critique their work throughout the week, gaining more skills and idea possibilities. Along with learning and using examples from modern day artists we will explore different art styles from Picasso and Dali to KipToe, MAD C, Nomad Clan and More.
